Job Description

Assistant General Services Manager

Location: Limerick, Ireland

Salary: €65,000 per annum + Sodexo Benefits

Contract Type: Full-time, Permanent

About the Role

We are seeking an experienced and proactive Assistant General Services Manager to support the delivery of world-class Integrated Facilities Management (IFM) services at a leading pharmaceutical site in Limerick. This is a key operational leadership role, working closely with the General Services Manager to ensure excellence across technical, catering, and cleaning service lines while driving continuous improvement and client satisfaction.

Key Responsibilities

Lead, support, and develop onsite teams to deliver high-quality facilities services in line with SLAs and KPIs.

Act as the point of escalation for day-to-day operational issues across technical, catering, and cleaning teams.

Manage performance, compliance, and financial outcomes in collaboration with the General Services Manager.

Build strong working relationships with clients, contractors, and internal stakeholders to ensure seamless service delivery.

Support strategic initiatives to drive business growth, transformation, and innovation across the site.

Ensure all operations meet statutory, safety, and quality standards.

Conduct site audits, manage corrective actions, and maintain a culture of safety and accountability.

Support the management of vendor performance and compliance with company and client procedures.

About You

Proven experience in facilities or operations management, ideally within a high-performing or regulated environment such as pharma.

Strong leadership and communication skills with the ability to engage and influence at all levels.

Experience managing diverse teams and multiple service lines.

Working knowledge of CAFM systems (Global Maximo preferred) and ISO55001 (Asset Management).

Degree-level qualification (Building Engineering Services, Business Management, or related discipline) or equivalent experience.

Strong commercial awareness and budget management capability.

A collaborative and resilient leader, comfortable managing change in a fast-paced environment.

Desirable:

Knowledge of Sodexo systems and processes.

Health and safety qualification.

Experience in GMP environments and/or technical services.

Lean Six Sigma or project management experience.

Why Sodexo?:

Working with Sodexo is more than a job; it's a chance to be part of something greater.

Belong in a company and team that values you for you.

Act with purpose and have an impact through your everyday actions.

Thrive in your own way.

We also offer a range of perks, rewards and benefits for our colleagues and their families:

Unlimited access to an online platform offering wellbeing support
