## Construction - Site Manager

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

The Site Manager is responsible for various construction activities including health and safety, quality control, site logistics, employee relations, supervision of subcontractors, forepersons and others to achieve project production targets.

Duties also include managing the Company's HSEQ systems and procedures, site set up planning and security, logistics management, deliveries and traffic management. He/she works alongside the Project Manager to adhere to the construction programme including the effective sequencing of the finishing trades to maximise quality and minimise reworking, while monitoring resources, labour, plant, site set-up and other overheads.

Job Category: Construction

Job Type: Full Time

Job Location: Dublin

### Job requirements

Requirements:

Candidates should have 7+ years' site management experience, in any combination of commercial, industrial, residential and fit-out and refurbishment building.

Benefits

Rewards:

An attractive salary and benefits package, including car allowance, will be provided, as well opportunities for career advancement.

#### Job restrictions
