Construction - Quantity Surveyor

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Responsible for the commercial and contractual performance of building projects, the Project Quantity Surveyor's responsibilities fall into the following three areas:

Post tender and pre contract activities: familiarisation with the tender file and assisting with preparing commercial targets for the project.

During the contract period: the procurement of subcontractors, attending pre-award meetings, documentation and schedules, applications, variation schedules, measurement, controlling accounts, payments, in-house reports, contractual correspondence and final account.

During the post contract period: finalise subcontractor accounts and complete all filing and other documentation.

Job Category: Construction

Job Type: Full Time

Job Location: County Dublin, North Dublin
