In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job opportunity for a hardworking and reliable individual in a busy production facility.

All training will be provided, however, previous knowledge of GMP would be an advantage.

Responsibility and Role:

- Follow pre and postproduction checklists.
- Comply with full PPE requirements.
- Maintain a clean and tidy work area.
- Take responsibility for meeting Food Safety and Quality requirements.
- Ensure product traceability is intact at all times.
- Check that all products produced are packed to the required specification.
- Complete quality checks as required.

Requirements:

- Ability to work as part of a team or use your own initiative.
- Excellent time management skills.

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
