Garage Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

AutoDoctor, a trusted all-in-one garage offering services from NCT pre-checks and full car servicing to DPF cleaning, tyres, brakes, clutch, exhausts, suspension and more, is looking for an experienced Garage Manager to lead our workshop team.

What You'll Do:

Oversee daily garage operations, ensuring smooth workflow and high quality service.

Lead and coordinate a skilled team of technicians, promoting a culture of excellence and customer satisfaction.

Manage scheduling, workload, and resource allocation to deliver efficient and cost-effective repairs.

Monitor health & safety, workshop compliance, and ensure best practices in all technical processes.

Liaise with customers proactively to maintain outstanding service standards.

Source and order required spare parts using our dedicated part-finder app to ensure fast and accurate repairs.

Who You Are:

Proven management experience in an automotive garage or repair shop.

Strong technical understanding of car servicing, diagnostics, and repair.

Excellent communication and leadership skills.

Customer-focused, organised, and results-driven.

Familiarity with Irish vehicle regulations and garage operations is a plus.

Why Join AutoDoctor:

Be part of a professional team that prides itself on using top-quality equipment.

Work in a friendly, dynamic garage environment where customer satisfaction is a top priority.

Competitive salary and opportunity to grow with a well-established business in Dublin.
