Qualified Plumber

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Qualified plumbers/pipe fitters/heat pump installers with a view to immediate start and permanent positions.

Your duties will include:

Underfloor heating systems, domestic plumbing, heat recovery ventilation systems, solar panels, and general plumbing. Keep records of work progress and maintain a clean work area.

Requirements include:

FAS or equivalent plumbing certification, Safe Pass, and manual handling certificates. Be competent enough to work independently.

Salary negotiable based on qualification, skill and experience.

This is an opportunity to be employed by a prestigious company in Ireland, which will offer additional benefits based on your experience and work commitment.
