About the Role

We are seeking an experienced and skilled Tiling Installer to join our team on a full-time basis. The successful candidate will work across a range of large commercial and residential projects throughout the Greater Dublin Area. This is a hands-on role suited to an installer who takes pride in delivering high-quality workmanship and maintaining professional standards on site.

Key Responsibilities

Install wall and floor tiles to the highest standards across commercial and residential sites

Prepare surfaces, including levelling, waterproofing, and substrate assessment

Accurately measure, cut, and lay tiles using various tools and techniques

Read and interpret plans, drawings, and technical specifications

Ensure compliance with health and safety regulations on all sites

Work collaboratively with site managers, trades, and project teams

Maintain a clean, safe, and efficient work environment

Represent the company professionally with clients and contractors

Requirements

Proven experience as a professional tiling installer (commercial experience an advantage)

Strong technical skills with a focus on precision, detail, and quality

Experience working on large-scale construction and residential projects

Ability to work independently and as part of a team

Full knowledge of site safety practices

Excellent time management and reliability

Valid Safe Pass and relevant tickets (or willingness to obtain)

Benefits

Full transport provided

Competitive salary and benefits package

Long-term, full-time employment with consistent work

Opportunity to work on high-profile projects in the Greater Dublin Area

Supportive team environment with growth opportunities
