Generative AI Annotator – Mandarin speaker

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, globally-known social media platform, is hiring for the new role – Generative AI Annotator. As an Annotator, your role will be to create, assess, and refine pairs of questions and answers to improve a large language model (LLM).

This task will involve you reviewing a set of guidelines, create sample prompts and response in your area of expertise.

Main Duties:

Annotate English and market language data accurately and consistently, and in accordance with predefined annotation guideline.

Evaluate the quality of existing data resources, as well as the output of machine learning classifiers and internal tools.

Develop, implement, and maintain guidelines and procedures for consistent, high-quality classification and content creation and organisation.

Perform basic research as needed to annotate accurately.

Provide feedback on the annotation tasks and contribute to the continuous improvement of the data annotation process.

Provide insights regarding observed patterns in the annotated data.

Research new entity categories and best practices for organising them.

Essential Competencies:

The candidate must possess a strong aptitude for working with data and excellent verbal and written communication skills.

They will be flexible and analytical with the ability to understand and interpret large datasets and applying predefined guidelines, ensuring the accuracy and quality of annotations.

Proficiency in the market language – C1 Level

High Proficiency in English – C1 Level minimum as per the CEFR

Educational background – undergraduate university degree or higher qualification

Candidate Experience:

Fluent in Mandarin (market language) and English, alongside cultural understanding of the market.

Flexible in working in a fast paced environment with different projects to work on.

Degree/1+ years professional experience preferred.

Salary: €34,000 per annum

Location: Nova Atria, Blackthorn Road, Sandyford Business Park, Dublin 18

Hours: 37.5 hours per week Monday to Sunday (including Bank Holidays). Some weekend work is also required.

Shifts: Evening shift - 6.00 pm – 2:30 am

Contract Type: Permanent

Benefits: Health Care & Extensive Training & Development. Free access to Covalen Group Scheme website, 24-hour Employee Assistance Programme EAP, Wellness Programme, Tax Saver Scheme, Bike to Work Scheme.
