Motor Mechanic - Apprenticeship

Job Description

First Year Apprentice Vacancy

Martin Reilly Motors is one of the biggest Motor businesses in the Northwest and a partner of some of the most prestigious marques in the motoring world including Hyundai, Mazda, BMW and MINI.

As a result of our continued growth and development, we are now looking to build on our greatest asset – Our People. The successful candidate will have the drive and ambition to continue a successful career with our company and be responsible for delivering excellence both to our customers and in your role.

We are currently seeking to recruit an Apprentice Technician. The applicant should be interested in working with diagnostic equipment and have a desire to expand their knowledge base. Extensive training will be offered to the successful candidate and a competitive salary and bonus scheme available upon qualification. It is a fantastic opportunity to work with 4 of the most successful brands in the country at present.
