Job Description

IEP - Irish Engineering Products, based in Rathornan, Leighlinbridge, Ireland, R93 C9X0, is looking for experienced welder wanted for manufacturing company (agri machinery).

Full time position

39hrs/week - 8.00-16.30 Monday to Friday

Hourly Rate €16.80 or €34'000 annually

The job entails fabricating parts for agri machinery and tacking parts for main welder, as well as occasionally repairs to agri machinery.

Experience and skills:

- * Ability to read and work from technical drawings to fabricate metal part and assemblies
- * Experience in MIG welding
- * Assemble fabricated parts into products using welding, bolting and other methods
- * Measure and inspect parts/assemblies to ensure accuracy
- * Use a variety of hand and power tools (grinders, drills, cutting torches etc) and perform routine maintenance/cleaning of equipment and tools.
- * Maintain a safe and organised working environment in line with company policies
- * Communicate with team members and management to ensure timely completion of projects
- * Identify any fabrication issues and improvements and work with management to address them
- * Ability to work independently and as team member
- * Maintain quality control and attention to details on work produced
- * Manual handling and fork lift certs desirable
- * Punctual and reliable

Annual Remuneration will be €34,000 for 39 Hours per week and 2 years fixed contract. Please send CV to iepmachinery@gmail.com.
