Position Titles: Vehicle Body Repair Technician / Vehicle Paint Technicians (Multiple Locations)

Locations: Nationwide opportunities across our 16 branches

Job Type: Full-time, Permanent

Key Responsibilities:

Vehicle Body Repair Technician

Assess and repair vehicle frames, panels, and body structures using approved repair methods

Remove, refit, and align damaged panels, bumpers, doors, wings, and structural components

Carry out pulling, straightening, welding, riveting, and bonding as required to restore vehicle integrity

Perform final inspections for alignment, gaps, weld quality, and overall repair accuracy before passing the vehicle to paint

Adhere to all workshop safety protocols, PPE requirements, welding fume regulations, and hazardous material handling standards

Vehicle Paint Technicians

Prepare vehicles for painting through sanding, masking, filling, and priming

Mix, match, and adjust paint colours using paint-matching technology and supplier systems

Apply base coats, top coats, and clear coats using spray guns and controlled spray booth environments

Inspect painted surfaces for accuracy, defects, texture, and colour consistency

Follow all safety procedures, PPE requirements, and environmental regulations for hazardous materials

Skills & Qualifications

Recognised qualification in Vehicle Body Repair or Automotive Painting

Minimum 4 years' experience in a professional bodyshop environment

Strong knowledge of modern repair techniques, OEM procedures, and professional paint application methods

Proven competence in the safe operation of workshop equipment and tools

Strong attention to detail and commitment to quality

Full, clean driving licence required
