Automotive Technician / Vehicle Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

As an Automotive Technician / Vehicle Fitter, you'll:

Carry out installation of electrical and mechanical systems (lighting, communications, control systems).

Work as part of a team to complete full vehicle conversions to the highest standards.

Diagnose, test, and resolve technical issues using modern tools and processes.

Follow structured build documentation and quality procedures.

Occasionally work overtime to meet project deadlines.

What We Are Looking For:

Experience: Minimum 2 years' relevant experience in the automotive industry.

Skills: Strong understanding of automotive systems and diagnostic tools.

Mindset: Passion for vehicle modification, technology, or motorsport.

Language: Good communication skills in English.

Licence: Full driving licence (preferred).

Applicants without relevant automotive experience will not be considered.

Why Join Us:

At Esmark Finch Vehicle Engineering, you'll find a progressive, people-focused environment that values structure, innovation, and teamwork.

Application Checklist :

Before you apply, please ensure:

Your CV is up to date with any employment gaps explained.

You monitor your emails, as all communications and interviews are arranged via email.

You can reliably commute to or plan to relocate to Dublin before starting work.

Preferred:

Full driving licence.

Interest in vehicle modification or motorsport.

Location: Dublin, County Dublin (On-site)

Salary: €32,000–€40,000 per year + Overtime & Bonus

Job Type: Full-time, Permanent

Hours: Mon–Thu 07:00–16:30 | Fri 07:00–13:30
