Job Description

Job Title: Audio Visual Technician

Employer: Session Sound & Lighting Ltd t/a Session Hire

Location:

Unit 40

Newtown Business & Enterprise Centre

Newtownmountkennedy

Co. Wicklow

A63 AC84

Ireland

Hours: 39 hours per week

Salary: €34,000 per annum

Employment Type: Full-time, Permanent

About the Role

Session Hire is seeking a reliable, organised and detail-oriented Audio Visual Technician to support the delivery of high-quality events, meetings and productions across Ireland. This role involves the hands-on preparation, setup, operation and pack-down of audio-visual equipment at a wide range of client sites. The position focuses on event support, equipment operation and client interaction, ensuring smooth and professional technical delivery.

Key Responsibilities

- Set up audio, video and lighting equipment including microphones, speakers, mixers, projectors, screens, cameras and lighting stands.
- Prepare meeting rooms, event spaces and stages according to event plans and layout diagrams.
- Connect and configure equipment for correct sound and visual output following standard operational procedures.
- Operate audio-visual systems during live events, rehearsals and presentations.

- Assist presenters and event organisers with equipment use and presentation requirements.
- Liaise professionally with clients, venue staff and event teams to support event needs.
- Monitor sound and video quality throughout events and make operational adjustments as required.
- Load, transport and unload audio-visual equipment safely to and from event locations.
- Assemble and dismantle temporary event setups including stands, screens and staging accessories.
- Maintain accurate equipment checklists before and after each event.
- Clean, organise and prepare equipment, cables and accessories before events.
- Ensure consumables such as batteries and accessories are ready for use.
- Identify and report equipment issues to management.
- Follow all company health and safety procedures during event setups and pack-downs.
- Ensure cables and equipment are positioned safely to prevent hazards.
- Comply with venue access rules and onsite safety protocols.

Requirements

Essential

- Experience in audio-visual setup or event support within events, hospitality, production, theatre, corporate or similar environments.
- Ability to operate microphones, speakers, mixers, projectors, screens and related AV equipment.
- Strong organisational skills with the ability to follow event plans and timelines.
- Good communication and customer service skills when working with clients on-site.
- Flexibility to work early mornings, evenings or weekends depending on event schedules.
- Physically able to lift and move event equipment safely.
- No formal qualification required
- Full on-the-job training will be provided

How to Apply

Please submit your CV outlining relevant audio-visual or event support experience. Shortlisted candidates will be contacted for interview.
