### Job Description

Derry O'Donovan Ltd is looking for an experienced qualified Agricultural Mechanic / Fitter.

Working with some of the top agricultural brands on the market including Krone Grass Equipment and Amazone Tillage and Fertiliser Equipment.

We are looking for someone who is

- Qualified in Agricultural Mechanics
- Enthusiastic about working as a team player in a busy environment
- Can work individually
- Who has experience with tractors and farm machinery – operating & repairing
- Wanting to further their knowledge in this field and progress as a mechanic
- Willing to work in our purpose-built workshop & in the field and provide an excellent back up service to customers
- Punctual and experienced in IT
- Who is willing to work to a high standard and show pride in their work
- Who wants to learn new skills and progress with leading brands in the farm machinery sector.

You will be responsible for

- Diagnosing faults both in the workshop and in the field
- Dealing with customers with issues and machine setup
- Getting through your daily / weekly job schedule efficiently
- Keeping your workshop area in a tidy and safe manner
- Assembly & PDI of new machinery – ensuring it is

assembled and fitted to a high standard

- Tidy upkeep of workshop tools & diagnostic equipment as well as your service van
- Van supplied with basic tools
- Travel for training will be needed occasionally
- Experience with sales and parts store work a great advantage.

Job Types: Full-time, Permanent

- **Sector:** professional, scientific and technical activities
