## Plumber

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

I&V Construcion General Limited is seeking 4 plumbers to join our team.

Duties will include: This role involves maintaining and installing plumbing systems across our residential and commercial bathroom refurbishment projects to ensure quality service.

#### Qualifications and Experience:

No formal academic requirements Completion of a plumbing apprenticeship or equivalent experience is a plus. Proven experience in installing and maintaining plumbing systems (2 years).

Ability to work independently and as part of a team.

Strong problem-solving skills and attention to detail.

Additional Requirements: Good communication skills and a customer-focused attitude.

Hours per week: 39

Supportive team environment with opportunities for professional development.

#### Key Responsibilities:

Review drawings to plan the layout of plumbing systems for bathroom installations. Measure, cut, and join pipes (copper, steel, or plastic) using hand or machine tools. Install fixtures such as sinks, toilets, taps, showers, baths, and radiators. Test installations for leaks and perform necessary adjustments.
