Roofing Tiler

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About the Company

Tremora Ltd. is a reputable Irish construction company based in Carrigaline, Co. Cork, specialising in roofing, insulation, and general building works.

We are committed to providing high-quality craftsmanship and energy-efficient solutions across residential and commercial projects throughout Ireland.

We are currently seeking an experienced Roofing Tiler to join our professional team.

Main Responsibilities

Install, repair, and maintain roof tiles, slates, and related materials to the highest standards.

Prepare roof surfaces by removing old materials, applying underlay, and ensuring proper alignment.

Cut and shape tiles to fit around chimneys, skylights, vents, and other roof structures.

Apply sealants and waterproofing products to ensure roof durability and weather resistance.

Inspect roofs to identify damage or leaks and perform necessary repairs.

Comply with all health, safety, and quality regulations on-site.

Maintain tools, materials, and work areas in a clean and organised condition.

Candidate Profile

Minimum 2 years' experience as a Roofing Tiler or similar role in construction.

Sound knowledge of roofing materials, installation techniques, and repair processes.

Ability to read technical drawings and building specifications.

Physically fit, confident working at heights, and safety-conscious.

Strong attention to detail and commitment to quality work.

Reliable, punctual, and capable of working independently or as part of a team.

Must be available to work on-site in Cork and across Ireland for 39 hours per week.

Benefits

Competitive hourly rate of €18.50, equivalent to approximately €37,400 per year.

Opportunity to work with a growing, well-established Irish construction company.

Supportive and professional working environment.

Training and development opportunities in roofing and energy-efficient building systems.
