Pipe Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are looking for an experienced Pipe Fitter to join our team. The role involves installing, assembling, repairing, and maintaining piping systems in line with project specifications and safety standards. The ideal candidate should have solid practical experience, good problem-solving skills, and the ability to work both independently and as part of a crew.

Key Responsibilities

Install and assemble pipes, valves, fittings, and fixtures according to drawings and specifications

Measure, cut, thread, and weld pipes when required

Test piping systems for leaks and ensure full compliance with safety regulations

Read and interpret technical drawings, plans, and schematics

Maintain tools and equipment in good working condition

Work closely with supervisors and other trades to complete projects on time

Follow health and safety procedures at all times

Requirements

Proven experience as a pipe fitter or similar role

Ability to read drawings and understand piping layouts

Strong knowledge of pipe materials, fittings, and installation methods

Safe Pass and relevant trade certifications (or willingness to obtain)

Good physical fitness and ability to work in various site conditions

Strong teamwork and communication skills
