Sheet Metal Workers

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Fox Bros. Engineering Limited, based in Gorey, Co. Wexford, is currently seeking Sheet Metal Workers for immediate start for their facility in Ballycanew, Gorey, Co. Wexford.

Qualifications:

A minimum of 3 years' sheet metal working experience in a previous role is required. There are no minimum academic requirements. Welding certification is preferred but is not essential.

General Duties / Responsibilities / Experience:

To use sheet metal to construct roofs, ducts for heating, ventilation and air conditioning, gutters and other metal structures

To read plans and determine the type and amount of materials to be used

To measure, bend, cut, shape and attach pieces of sheet metal to create the required structure

To use thin metal sheets to fabricate, install, and maintain various products and system

To use blueprints and technical drawings to measure, cut, shape, and join metal sheets using methods like welding, soldering, or riveting

To contribute to projects such as ductwork, roofing, siding, and other sheet metal components

To follow safety protocols while working with heavy metal sheets and using tools and equipment

Essential knowledge includes metal joining technologies, metal thermal conductivity, rivet types and metal types

Essential skills include aligning components, applying arc welding techniques, and applying spot welding techniques

Further essential skills include clipping sheet metal objects together, operation of handheld riveting equipment, interpretation of 2D & 3D plans, and tending metal sawing machine

Candidates must be competent to apply construction health & safety procedures, inspect

construction supplies and follow health & safety while working at heights

Candidates must have experience in using metalworking tools, using sheet metal sheers, and recognising signs of corrosion

Candidates must have 3 years' of relevant experience as a Sheet Metal Worker in a previous role

Welding certification preferred but not required

Annual Remuneration: €34,000.00; Pay rate €16.77 per hour

Work Location: Fox Bros. Engineering Limited, Ballycanew, Gorey. Co. Wexford

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
