Electric Bicycle Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a skilled and motivated Electric Bicycle Mechanic to join our team. This role is ideal for a dedicated professional with expertise in vehicle mechanics, particularly in the maintenance and repair of electric bicycles, who is eager to contribute to a growing sustainable transport sector.

Key Responsibilities:

Conduct stock control, cyclic inventory management, and procurement for electric bicycle parts.

Diagnose, repair, and maintain electronic systems and motors of electric bicycles.

Monitor performance metrics and report operational results to the Operations Manager.

Qualifications and Experience:

Relevant experience in vehicle mechanics, preferably with electric bicycles or similar systems.

NVQ/SVQ Level 2 or 3 in Vehicle Maintenance and Repair (or equivalent) desirable.

Strong problem-solving skills and ability to manage stock and operational metrics.

How to Apply:

Please submit your CV to Iris at contato@eletricgo.com

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles
