Job Description

Aureol Global Connections is hiring CNC Machinists on behalf of Inishowen Engineering Manufacturing Limited, located at Owenboy, Drumfries, Co. Donegal, F93 NY98. The successful candidate will be responsible for setting up, programming, and operating CNC machines to manufacture high-quality components in line with technical drawings and strict quality standards. Ideal candidate will be able to set up, program, and operate CNC milling and/or turning machines to produce components to specification. Read and interpret engineering drawings, blueprints, and CAD/CAM files. Select, set, and adjust tools and fixtures for efficient machining operations.

Carry out first-off inspections and perform in-process quality checks using precision measuring instruments. 39 hours per week. Annual Salary Range €34,000- €38,000 euros. Interested applicants please send your CV to info@aureolglobalconnections.com
