Logistics & Production Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Kush Seafarms Limited of O'Shea House, New Road, Kenmare, County Kerry a leading producer of premium organic rope-grown mussels and oysters in the waters of Kenmare Bay, is seeking a versatile Logistics & Production Manager for a dynamic, full-year role combining export logistics with hands-on aquaculture production. The position requires strong organisational capability, multilingual communication skills, and the ability to coordinate effectively across departments.

Key Duties & Responsibilities

- Manage all customer orders, export logistics, transport and production planning, and associated certification and compliance documentation.
- Oversee export sales across multiple international markets and ensure timely, accurate dispatch of goods.
- Lead the optimisation and automation of administrative procedures, documentation systems, and operational workflows.
- Liaise closely with production and harvesting teams to align export requirements with daily operations.
- Maintain direct communication with international clients to ensure seamless delivery operations and high customer service standards.
- Assist with continuous improvement of harvesting, grading, and packaging processes within the production facility.
- Develop practical knowledge of sustainable aquaculture production processes.

Skills, Experience, and Qualifications Required

- Fluency in English, Spanish, and French is essential. Proficiency in Italian is an advantage.
- Experience in supply-chain management, logistics, or a related operational field.
- University Degree in Engineering or in a food-industry-related science degree.
- Additional business education (e.g., MBA) is a plus.

- Ability to work collaboratively and undertake practical operational tasks as required.
- This vacancy is suitable for Remote/Blended working
- **Sector:** agriculture, forestry and fishing
