Job Description

Agri General Staff Solutions Ltd is recruiting an experienced Herd Manager for placement with dairy farms nationwide. This role involves the effective management of herd operations and supporting the overall productivity of the farm.

Key Responsibilities

1. Assist Farmer and Farm manager in breeding programmes, calving, feeding schedules, and milking routines
2. Support in daily farm operations

Requirements

- 2-3 years' experience in dairy farming or livestock management
- relevant experience in animal welfare and herd-health knowledge
- knowledge in milking systems and farm machinery
- Ability to work independently and team player
- Good communication skills
- Driving licence an advantage

Additional Information

- Pay based on experience
- Accommodation may be available depending on client farm
- Training and placement support provided

- **Sector:** agriculture, forestry and fishing

Career Level

- Not Required
