Animal Nutritionist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a passionate and driven Animal Nutritionist to join our dynamic team. In this role, you will be responsible for developing and formulating high-quality feed solutions ensuring optimal health, performance, and well-being.

Key Responsibilities:

- Formulate and evaluate animal feed rations to meet specific nutritional requirements.
- Provide expert advice and support on animal nutrition and feeding management.
- Collaborate with our research and development team to create innovative new products.
- Conduct hands-on feed sampling and quality testing in laboratory and field environments.
- Assist with feed mixing, weighing, and preparation of nutritional supplements.
- Perform routine maintenance and cleaning of feed processing equipment.
- Stay up to date with the latest scientific research and industry trends.

Qualifications:

- Bachelor's degree in animal science, Nutrition, or related field, OR relevant technical courses/certifications in animal nutrition.
- Proven experience in a similar role within the agricultural industry.
- Strong understanding of animal physiology and biochemistry.
- Excellent communication and interpersonal skills.

- **Sector:** manufacturing
