Job Summary:

We are looking for a motivated and reliable General Operative / Sales Assistant to join our dynamic team at [Store Name]. This dual-role position will involve working both on the sales floor assisting customers and helping with stock management in the warehouse. The ideal candidate should have excellent customer service skills, a keen eye for detail, and be comfortable with both retail customer interaction and stockroom tasks. This role is perfect for someone who enjoys a fast-paced environment and takes pride in helping customers find the perfect pieces while keeping the store well-organized and running smoothly.

Key Responsibilities:

Sales Assistant Duties:

Greet customers warmly, offering assistance as they browse the store

Provide product information, make recommendations, and answer any customer queries

Process customer transactions accurately at the cash register

Maintain store displays, ensuring shelves and racks are well-stocked and visually appealing

Assist with merchandising and product placement according to store guidelines

Monitor stock levels and report low stock to the manager for restocking

Help maintain a clean and organized store environment, including tidying up fitting rooms and product areas

Handle customer returns and exchanges in line with store policy

Stay up-to-date on promotions, product knowledge, and store events to effectively assist customers

Warehouse / Stockroom Duties:

Receive, inspect, and organize incoming stock deliveries

Store and label merchandise in the warehouse in an efficient and systematic manner

Ensure stock is properly rotated and checked for damages before being moved to the sales floor

Prepare stock for floor display, including tagging and organizing items for easy access

Assist with inventory counts and stock replenishment as required

Help keep the stockroom clean, tidy, and organized to ensure smooth stock management

Work with team members to manage seasonal stock changes and other stockroom-based tasks
