## Analyst - SFG

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

BCMGlobal ASI Ltd is a leading independent loan servicer, managing AUM for 20+ clients and is highly rated by S&P in Ireland working with pillar banks, non-bank lenders, debt investors and their customers throughout the loan lifecycle from origination through to redemption, including loan workout services. It is part of BCM Global, a prominent European independent mortgage, real estate, and commercial loan servicer expert in providing innovative financial services.

#### Job Purpose

We are looking for a motivated individual to join our Structured Finance team, managing a portfolio of Commercial and Corporate loan facilities. You'll play a key role in administering cash distributions, client reporting, and financial covenant testing.

#### Role and Key Responsibilities

- The Analyst will be involved in the following activities:
- Managing assigned loan portfolios and ensuring accurate, timely administration
- Responding to client inquiries and maintaining detailed, up-to-date records
- Reviewing financial data and identifying variances to ensure compliance with covenants
- Collaborating with stakeholders to ensure smooth loan operations
- Working with complex Excel data, performing loan calculations, and preparing reports
- Monitoring borrower accounts and ensuring accurate cash flow reconciliation

#### Experience and Requirements

- 2-3 years of financial services experience, with a focus on loan documentation
- Strong communication skills and a reliable, flexible attitude
- Proficiency in MS Office, with advanced Excel experience

#### Desirable:

- A third level financial, property or accounting related qualification would be a distinct advantage
- Experience dealing with Commercial and Corporate loan management and documentation is preferred
