Sign Maker/Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking an experienced Sign Maker / Fabricator to join our production team. This is a skilled, hands-on role requiring specialised technical expertise in sign fabrication, metalworking, CNC cutting, finishing, and installation. The successful candidate will be involved in the end-to-end production of high-quality signage, from fabrication through to on-site installation.

Key Duties and Responsibilities

Fabrication & Manufacturing

Fabrication of built-up letters using stainless steel, aluminium, acrylic, and composite materials

Cutting, forming, welding, bonding, and assembly of metal and plastic components

Manufacture of illuminated and non-illuminated signage systems

Preparation of signage components for finishing and installation

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
