## General Services Manager - Limerick

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

#### Key Responsibilities

- Lead and manage the delivery of multiple FM services across the site
- Take full ownership of contract performance, KPIs, SLAs, and compliance
- Manage financial performance including budgets, forecasting, P&L and cost control
- Build and maintain strong client relationships, leading regular performance reviews
- Provide visible, confident leadership to multidisciplinary site teams
- Ensure full compliance with Health & Safety, GMP/GDP, and regulatory requirements
- Work collaboratively with central and segment subject matter experts
- Identify and deliver service improvements, efficiencies, and growth opportunities
- Drive high standards of employee engagement, performance, and development

#### About You

#### Essential

- Proven experience in a senior management role within an outsourced or IFM environment
- Strong commercial and financial acumen, including P&L management
- Significant experience working in a regulated environment (GMP/GDP), ideally 5+ years
- Excellent client relationship and stakeholder management skills
- Demonstrated leadership experience managing large, diverse teams
- Strong communication, influencing, and decision-making skills

#### Desirable

- Facilities, Engineering, or Technical qualification
- Experience in pharmaceutical or FMCG environments
- NEBOSH (or equivalent) qualification
- BIFM or other relevant professional qualifications

#### What's on Offer

- A senior leadership role within a high-profile contract

Opportunity to make a real impact on service excellence and client satisfaction

Supportive matrix structure with access to expert central teams
