### Job Description

Location:

Various new-build residential developments (regional travel required)

Job Summary:

We are looking for a reliable and hands-on Transport and Distribution Assistant to assist with the delivery of furniture to new-build housing estates. This role involves safe handling of furniture, assisting with vehicle loading/unloading, navigating construction sites, and providing a professional service to site managers and end customers.

You will be part of a delivery team ensuring items arrive on time, undamaged, and placed correctly within newly built properties.

Key Responsibilities:

Assist with the loading and unloading of furniture

Deliver furniture to new-build estates, following site rules and health and safety procedures

Safely move items into properties, including upstairs and restricted-access areas

Support the driver with navigation, delivery schedules, and paperwork

Carry out manual handling tasks, including team lifts for heavy or awkward items

Check deliveries against paperwork and report any damages or shortages

Communicate professionally with site managers, supervisors, and customers

Maintain cleanliness and organisation of the vehicle

Follow company procedures for care, handling, and installation (if required)

Adhere to all health & safety regulations, including PPE use on construction sites

Skills and Experience Required:

Experience in construction sites and furniture delivery, logistics, or warehouse work

Comfortable with physical work and manual handling

Awareness of health and safety practices, especially on construction sites

Good communication and customer service skills

Ability to work as part of a team

Flexible approach to working hours and locations

Requirements:

Experience working on new-build or construction sites

Knowledge of furniture assembly or placement

Safe pass training certificate
