### Job Description

Description:

We are seeking an experienced male caregiver to provide individual, one-to-one care for a 93-year-old man with type 2 diabetes and post-stroke condition for a position in South County Dublin.

Requirements:

Age: 30+

Minimum of 7 years of experience in elderly care, combined with a QQI Level 5 qualification (Health Care Support or equivalent) or

Minimum 10 years of professional experience in the related profession, eg first responder, nurse, paramedic, firefighter, etc.

Fluent English (preferably mother tongue), both oral and written: the patient is elderly and hard of hearing, so it is imperative that he and his carer can fully engage and understand each other.

Working knowledge of Polish or Italian will be an advantage.

High personal standards, empathy, responsibility, patience and reliability.

Ability to work independently and as part of a team, with strong organisational and crisis-management skills.

Responsibilities:

Comprehensive care for a 93-year-old male client.

Ensuring the client's safety, comfort, and overall well-being.

Co-operation with the family and other caregivers involved in care.

Support with daily living activities, including:

assistance with personal hygiene

meal preparation

administering medication in accordance with medical instructions

companionship

practical light household care tasks.

We Offer:

Stable employment.

Attractive remuneration, commensurate with experience and qualifications.

Clear and transparent working conditions.

A respectful, trust-based, and professional working environment.

Interested candidates are invited to submit their CVs along with documents confirming relevant experience and qualifications. Garda Vetting will be required, along with two references.
