## Night Support Worker - Chester House

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

About the role:

Contract Type – Full-Time Permanent.

Working Hours – a 5 week rolling roster of night shifts, 37.5 hours a week, from Monday to Sunday availability.

Location – Chester House, Phibsboro, Dublin 7

Salary - €33,500

As a Support Worker, you'll help to meet client needs on a nightly basis; you will provide in-the-moment support and safety to clients. You will contribute to ensuring effective and consistent best-practice standards are followed in the Dublin Simon Community emergency accommodation services.

The Support Worker role is an opportunity to gain frontline experience and many support workers graduate on to project worker roles within the organisation. As well as our induction program, you will be provided with 10 training days throughout the year, as well as on-the-job coaching and mentoring, ensuring you have the support and training to succeed in this role.

### Your responsibilities

Carry out health and safety checks as per local policy and recording of same.

Provide support to the clients at night, recording on support plans, updating PASS and nights bed list, encouraging sleep hygiene.

Provide care interventions, including daily living skills support, relapse prevention support.

Ensure all new clients receive a robust induction to the service and are aware of their rights and responsibilities.

Ensure building is secure at night and that all systems are working (alarms, CCTV, emergency

response details) and adhering to the lone working policy.

Therapeutic and diversionary interventions, providing emotional and motivational support, promoting positive mental health attitudes, self-esteem and self-respect.

Support the manager in the implementation of the strategic and operational action objectives. Taking responsibility for developing and implementing strategic and operational goals.

Preparations of rooms for service user intake to ensure standards are maintained.

Crisis and conflict management.

Ensure consistent handovers, diary, incident reports and follow-ups, in accordance with organisation policies.

Accommodation management; ensuring routine maintenance is carried out, cleaning, security inspections and bedroom health and safety inspections occur, in line with operational procedures and standards.

Ensure neighbourhood policy is implemented and managed at all times.

Active interventions; harm reduction, overdose prevention.

Interpersonal skills development, dealing with relationships, family liaison and behavioural management issues.
