### Job Description

Quality Assurance and Regulatory Professional required to work at Bond Freeze Limited at Alexandra Quay, Eirfreeze Building, Bond Road, Dublin Port, D03 X2W0. A minimum of 1 year of experience in a similar role is required. The primary responsibilities involve developing and implementing visual, physical, and functional quality measures to ensure that cold storage and distribution operations meet high standards. This includes analysing and reporting on quality control test results to verify that processes remain within specified guidelines, maintaining the integrity of temperature-sensitive goods. The role requires a thorough review of relevant legislation to understand its impact on storage and handling requirements, ensuring that operations comply with regulatory standards. Additionally, this role involves examining current operating procedures to identify opportunities for quality improvements, as well as making adjustments as needed to ensure both processes and products meet industry and regulatory standards, reinforcing Bond Freeze's commitment to quality in multi-temperature storage and distribution. Salary: €34,000 per annum.
