## Crane Mechanics

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Multiple Locations :

- Armorum Limited, Kylemore Park North, Ballyfermot, Co. Dublin, D10 TN56
- Armorum Limited, JFK Industrial Estate, Bluebell, Co. Dublin, D12 TC60

Our client, Armorum Limited, based in Co. Dublin, is currently seeking Crane Mechanics for immediate start at their two facilities in Co. Dublin.

### Key Responsibilities and Duties:

To diagnose, repair and maintain a variety of cranes and heavy equipment to ensure they operate safely and efficiently

To perform both preventative maintenance and breakdown response, working with hydraulic, electrical, and mechanical systems

To perform inspection, maintenance, and repair work on mobile and static cranes, including hydraulic, mechanical, and electrical systems

To diagnose faults in engines, transmissions, and other crane components using diagnostic tools and technical manuals

To overhaul and service diesel and heavy-duty engines used in cranes and other heavy machinery

To conduct scheduled preventative maintenance to minimize downtime and extend equipment lifespan

To replace or repair worn or defective parts and ensure compliance with manufacturer specifications

To carry out testing and calibration of crane systems after repairs

To maintain accurate service and repair records in accordance with company procedures

To ensure all work is completed safely and in compliance with health, safety, and environmental regulations

To collaborate with operators, engineers, and management to plan maintenance and repair schedules

To keep tools, equipment, and work areas clean, safe, and well-organized

**Requirements:**

Candidates must have the requisite experience and knowledge to perform all job duties listed above

Trade qualification as a Heavy Equipment Mechanic, Diesel Mechanic, or equivalent

Minimum 3–5 years of experience working on cranes (e.g., mobile cranes, tower cranes, or overhead cranes) and other heavy equipment in a field service capacity

Experience working on engines such as Cummins, Liebherr, Caterpillar, MTU

Strong knowledge of diesel engines, hydraulic systems, and electrical controls

Ability to interpret technical drawings, service manuals, and diagnostic data

Experience using computerized diagnostic and calibration tools

Proven ability to troubleshoot and repair complex mechanical issues efficiently.

Commitment to safe work practices and continuous improvement.

Annual Remuneration: €56,784.00; Pay Rate €28.00 per hour

**Work Locations:**

Armorum Limited, Kylemore Park North, Ballyfermot, Co. Dublin, D10 TN56

Armorum Limited, JFK Industrial Estate, Bluebell, Co. Dublin, D12 TC60/

Number of hours work each week: 39
