## Pharmaceutical Quality and Process Executive

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are currently seeking a Pharmaceutical Quality and Process Executive to support quality systems and operational processes within our pharmaceutical distribution operations. This is a non-clinical, non-dispensary and does not involve patient-facing role. The role is focused on quality assurance, compliance, and process improvement in a regulated healthcare supply environment.

- Support the implementation and maintenance of Good Distribution Practice (GDP)
- Assist with SOP preparation, review, and maintenance
- Support compliant storage, handling, and distribution of medicinal products
- Assist with audits, inspections, and CAPA follow-up
- Support process improvement initiatives
- Coordinate with logistics and operations teams supplying nursing homes and hospitals
- Maintain quality records and reports
- Support training documentation and quality awareness activities
- **Sector:** administrative and support service activities
