Job Description

Due to continued growth in our business, we are looking for motivated workers to join our experienced warehouse team. We want to find candidates that will add value to the dynamics of a fast paced and hard-working environment. The successful candidates will have clearly defined responsibilities and will be trained on all aspects related to the role, including health and safety. As part of a dynamic team you will be expected to work well with others and contribute to a positive working environment

The successful candidates will also work with our SAP System for some aspects of their job. Duties would revolve around:

Order Picking - building and packing orders for daily collection

Goods Out - making sure all orders are fully documented and ready for dispatch

Goods Inwards - Receiving supplies to our warehouse

Stock replenishment - ensuring that all picking areas are well stocked and re-loaded when required

Contributing to the safe and efficient running of the warehouse

Understand, implement, and carry out all Company policies, procedures, and standards

Key competencies that we would look for are:

Experience in a warehouse environment, though not essential is an advantage

Good work ethic

Excellent attention to detail with a high degree of accuracy along with excellent organisational and communication skills

Excellent team working skills

Good timekeeping & attendance extremely important

Reliable and Honest

There is a 6-month probation period after which a full-time role is considered by both parties. To apply, please send an up-to-date CV to liz@pharmacare.ie
