Shuttering Carpenter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Triur Construction Ltd are currently recruiting Shuttering Carpenters for their site at 13 Society Street, Ballinasloe, Co. Galway.

Duties as follows:

Construct and dismantle formwork for concrete structures such as foundations, walls, and columns.

- Measure, cut, and shape wood, plywood, and other materials.
- Assemble and secure formwork using nails, bolts, and other fasteners.
- Ensure formwork is properly aligned, leveled, and supported.
- Pour and spread concrete into the formwork, ensuring proper placement and compaction.
- Remove formwork once the concrete has set, ensuring no damage to the structure.
- Read and interpret blueprints and construction drawings.
- Maintain tools and equipment in good working condition.
- Follow safety regulations and maintain a clean and safe worksite.
- Collaborate with other construction team members to complete projects on time and to specifications.

Requirements:

At least 2 years proven experience as a Shuttering Carpenter essential

Remuneration is €34,000 per annum based on a 39 hour week. Please apply in confidence with a CV to
