Light Commercial Vehicle Mechanics

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Marcin & Piotr Motors Santry Limited t/a MP Motors, based in Co. Dublin, is currently seeking Light Commercial Vehicle Mechanics for immediate start for their facility in Santry, Co. Dublin.

Duties & Responsibilities

- To be responsible for the inspection, maintenance, and repair of light commercial vehicles to ensure maximum operational efficiency, compliance with road safety standards, and minimal downtime.
- To perform diagnostic tests on light commercial vehicles, completing repairs, and ensuring vehicles are safe and adhere to regulatory standards.
- Diagnose mechanical and electrical issues on LCVs using diagnostic tools and software.
- Carry out routine servicing, inspections, and preventative maintenance.
- Repair and replace parts including engines, brakes, suspension, and transmission
- Perform pre-NCT checks and ensure all vehicles meet required safety and compliance standards.
- Maintain accurate records of all maintenance and repairs carried out.
- Respond to breakdowns and perform roadside assistance when required.
- Collaborate with the Fleet Manager to schedule maintenance and ensure minimal disruption to operations.
- Ensure all work is performed in line with company health and safety procedures and environmental regulations.
- Ensure that all repairs and maintenance work meet or exceed regulatory standards

Requirements & Experience

- Candidate must be competent to carry out all duties listed above
- Minimum 3 years of experience working on light commercial vehicles as a mechanic
- Mechanic qualification is an advantage but is not required
- Experience in carrying out routine servicing and preventive & reactive maintenance on commercial fleet vehicles is required
- Strong diagnostic and problem-solving skills.
- Ability to check and assess vehicles for road safety requirements and testing
- Ability to work independently and as part of a team.
- Flexibility for occasional overtime and on-call duties.
- Experience with vehicle diagnostic software (e.g. TEXA, Snap-on).
- Familiarity with health & safety protocols in a workshop environment.

Annual Remuneration: €34,000.00; Pay rate €16.77 per hour

Work Location: Marcin & Piotr Motors Santry Limited t/a MP Motors, Old Airport Road, Santry, Dublin 9, Co. Dublin

Number of hours work each week: 39
