Job Description

SDSD Services Limited, located in Dublin, is seeking a Project Manager with a minimum of 1 year experience managing complex business or financial projects. The role involves planning, coordinating and delivering projects on time, within scope and within agreed financial parameters, while collaborating closely with senior stakeholders to define objectives, manage budgets, allocate resources and monitor project performance. The Project Manager will support strategic decision-making through financial analysis, forecasting, and performance reporting, ensuring efficient resource utilisation and contributing to sustainable business growth. Responsibilities include managing project plans, tracking progress, identifying and mitigating risks and facilitating communication across teams to ensure successful project delivery. All activities must comply with company policies, Irish labor laws and health & safety standards. Salary is €36,000 per annum for 39 hours per week.
