### Job Description

#### About the Role

We are seeking an experienced and reliable Tiler to join our renovation team, specialising in domestic home improvement projects across Cork city and county. The ideal candidate will have strong technical skills, excellent attention to detail, and a commitment to delivering high-quality workmanship in occupied and unoccupied homes.

#### Key Responsibilities

- Install wall and floor tiles in kitchens, bathrooms, hallways, and other domestic spaces
- Prepare surfaces, including levelling, waterproofing, and priming as required
- Measure and cut tiles accurately using appropriate tools and techniques
- Grout, seal, and finish tiled areas to a high professional standard
- Identify and report any structural or preparatory issues before installation
- Work collaboratively with other trades on renovation projects
- Maintain a clean, safe, and organised work environment
- Communicate clearly with clients and project managers regarding progress and requirements

#### Requirements

- Proven experience as a tiler in domestic or residential renovation settings
- Strong knowledge of tile types, adhesives, levelling systems, and finishing methods
- Ability to read and interpret drawings, measurements, and specifications
- High attention to detail and pride in workmanship
- Full driving licence and ability to travel to sites across Cork
- Excellent time management and reliability
- Must have the right to work in Ireland – EU/EEA applicants only

#### Desirable

- Experience with underfloor heating installation
- Knowledge of modern waterproofing systems (e.g., tanking kits)
- Ability to estimate materials and provide input on project planning

#### What We Offer

- Competitive pay based on experience
- Consistent work on high-quality domestic renovation projects
- Supportive team environment
