## Car Panel Beater

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

About NVD

A family-owned business, established in 1980, NVD was set up to assist vehicle manufacturers in the timely and incident free distribution of their products. We've established ourselves as a one stop shop providing the three main pillars of outbound logistics, including transporting, storing and enhancing our customers' vehicles, prior to delivery to their end location. Since 1980 NVD has been at the forefront of pioneering the digitisation of the FVL industry. As early adopters of emerging technology we have been able to introduce huge efficiencies saving time and money for our customers. Our unwavering commitment to progress and continual service improvement remains at the heart of our business today.

### Role Summary

The role is responsible for carrying out high-quality vehicle body repairs, including panel replacement, alignment, cosmetic and heavy repairs, to manufacturer and company standards. Working as part of a skilled bodyshop team, the position requires expertise in strip and refit, panel repair, chassis alignment, and welding, ensuring all work is completed safely, efficiently, and to the highest possible quality.

The successful candidate will demonstrate strong technical ability and precision in all aspects of body repair, from light filler and plastic repairs to complex structural work. They will use a range of specialist tools and equipment, including dent pulling and welding systems, and will prepare repaired panels for painting and finishing.

A commitment to excellence, attention to detail, and determination to get the job done are essential.  
Some computer literacy is required (training provided), along with flexibility to work shifts as required.  
A full, clean Class B driving licence is essential for this role.

We are seeking a skilled and experienced Panel Beater to join our Accident Repair Centre.
