Job Description

Job Summary

Light Commercial Components Limited is seeking a Supply Chain Specialist / Supply Chain Professional to manage and optimise end-to-end supply chain operations. The successful candidate will be responsible for procurement planning, inventory control, supplier coordination, logistics management, and continuous process improvement.

Key Responsibilities:

Plan, manage, and monitor inventory levels to ensure optimal stock availability

Coordinate with suppliers, manufacturers, and logistics providers

Analyse demand forecasts and manage supply planning activities

Monitor key supply chain performance indicators and prepare reports

Identify and implement process improvements to enhance efficiency and reduce costs

Ensure compliance with company policies and relevant regulatory requirements

Key Requirements:

Minimum 2–5 years' experience in a supply chain or logistics role

Strong analytical, organisational, and problem-solving skills

Proficiency in supply chain systems and Microsoft Office

Excellent communication and teamwork skills

Fluency in Portuguese is required for business communication with international suppliers and stakeholders

- **Sector:** transportation and storage

Career Level

- Experienced [Non-Managerial]
