## Community Healthcare Assistant

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Job Overview:

Care Assistants support individuals in the community by helping them maintain independence, dignity, and quality of life.

This community-based role involves assisting people who experience difficulties with daily living activities. Service users may include vulnerable adults, older people, or individuals with physical or learning disabilities.

The Care Assistant reports to the Client Service Manager and Client Supervisors and, ultimately, to the Company Directors.

Main Purpose of the Role:

To work as part of a geographically assigned team of Healthcare Assistants under the direction of the Clinical Director, Client Service Manager, and Client Supervisors.

The role involves delivering high-quality, person-centred care that enables service users to continue living independently at home with minimal reliance on others.

The Care Assistant will promote a caring and respectful environment through high standards of professional practice that address the physical, emotional, social, intellectual, and spiritual needs of service users. Care is delivered in accordance with agreed care plans, with ongoing contribution to the review and development of those plans.

Key Accountabilities:

The Care Assistant is responsible for the safe, professional delivery of personal and practical care in line with individual care plans and the HIQA Safer Better Healthcare Standards. Duties may include,

but are not limited to:

Assisting with personal care tasks such as washing, dressing, feeding, toileting, continence care, and mobility support

Providing home help services, including laundry, cooking, and cleaning, as outlined in the care plan

Supporting social engagement to maintain community and family involvement, including accompanying service users outside the home where agreed

Assisting with practical and financial tasks such as shopping and benefit collection

Escorting service users to medical or social appointments

Working collaboratively with other healthcare professionals to support and develop individual care plans

Maintaining accurate and timely Daily Journal records

Reporting changes in a service user's condition or environment

Reporting concerns relating to abuse or suspected abuse in line with safeguarding procedures

Reporting complaints, incidents, or defective equipment promptly

Maintaining high standards of hygiene and adhering to infection prevention and control protocols

#### Qualifications and Experience Required:

Minimum FETAC Level 5 / QQI qualification or a relevant healthcare discipline

At least 2 years' experience in home care, nursing home care, or an acute healthcare setting

Experience in elderly care and/or supporting individuals with disabilities

Excellent verbal and written communication skills (minimum English Level B1)

Full, clean Irish or EU driving licence

#### Employment Details:

Full-time position: 39 hours per week

Competitive salary: €30,000 per annum

- **Sector:** human health and social work activities

#### Career Level

- Experienced [Non-Managerial]
