## Construction Operative

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are seeking a reliable and hardworking General Construction Operative to support a range of construction activities on site. The successful candidate will assist skilled tradespeople, carry out general labouring duties, and help ensure projects are completed safely, on time, and to a high standard.

#### Key Requirements:

Previous experience in a construction or labouring role is desirable but not essential

Ability to carry out physical work, including lifting, carrying, and working outdoors in all weather conditions

Basic knowledge of construction tools, materials, and site procedures

Strong awareness of health and safety regulations and a commitment to safe working practices

Ability to follow instructions accurately and work effectively as part of a team

Good timekeeping, reliability, and a positive work ethic

Willingness to learn new skills and adapt to different tasks as required

Relevant construction certifications (e.g. CSCS card) are advantageous

The role requires a flexible and proactive approach, with the ability to support various site operations and contribute to a productive, safe working environment.
