## Welder- Irish Garage Equipment Limited

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are seeking a skilled and detail-oriented Welder to join our team. The Welder will be responsible for fabricating, assembling, and repairing metal components using various welding techniques while ensuring high standards of quality, safety, and precision.

#### Key Responsibilities

Perform welding operations using techniques such as MIG, TIG, Stick, or Flux-Cored welding

Read and interpret blueprints, drawings, and welding symbols

Cut, grind, and prepare metal surfaces before and after welding

Inspect welded joints to ensure structural integrity and quality standards

Operate welding equipment, hand tools, and power tools safely

Maintain welding equipment and ensure proper working condition

Follow all safety procedures, including use of PPE and adherence to OSHA or local safety regulations

Collaborate with supervisors, engineers, and other team members to meet project requirements

Meet production deadlines while maintaining quality standards

Document work completed and report any defects or issues

## Key Requirements:

Proven experience as a Welder or in a similar role

Proficiency in one or more welding methods.

Ability to read and understand technical drawings and specifications

Strong knowledge of metals, welding techniques, and safety practices

Good hand-eye coordination and attention to detail

Physical ability to stand for long periods and lift heavy materials

- **Sector:** manufacturing
