Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

AIR GROUP is Ireland's only contractor offering solutions for Refrigeration, Air Conditioning and Food Service Equipment. We design, supply and install all types of Air Conditioning & Ventilation Systems, Commercial Refrigeration, Chillers and Freezer Rooms, Ovens and Cooking equipment across the Island of Ireland. AIR Group has a full network of Service and Maintenance teams with engineers located throughout the 32 Counties of Ireland.

AIR have for over 40 years been the market leader in the installation, commissioning, service and maintenance of commercial refrigeration equipment throughout Ireland. We focus on energy efficient solutions, are the primary installer of Co2 Refrigeration Systems throughout the country. Our customers range from small coffee shops, to large supermarkets and from butcher shops through to large coldstores.

Experience and Qualifications:

Qualified electrician certificate or in your final year of training.

Full clean driver's license.

Demonstrated experience, knowledge, and good working practices.

Valid Safe Pass.

- **Sector:** electricity, gas, steam and air conditioning supply
