Construction Worker

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking reliable and hardworking Construction Workers to assist in the construction, renovation, and maintenance of buildings and infrastructure projects. The successful candidate will support daily site operations and work closely with supervisors and skilled tradespeople to ensure projects are completed safely, efficiently, and to required standards.

Key Responsibilities:

Prepare and clean construction sites before and after work activities

Load, unload, and transport construction materials and equipment

Operate basic hand tools and power tools safely

Assist skilled workers such as carpenters, electricians, and masons

Follow construction plans, instructions, and safety guidelines

Maintain a safe and organized work environment

Perform general labour tasks as required by site supervisors

Requirements:

Previous experience in construction or general labour (preferred but not mandatory)

Physical fitness and the ability to perform manual labour

Basic understanding of construction tools and safety procedures

Ability to work in a team and follow instructions

Willingness to work outdoors and in varying weather conditions

Employment Type: Full-time / Contract

Work Location: Construction sites (varies by project)
