## Plasterer

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Aureol Global Connections is seeking an experienced Plasterers on behalf of Ashgrove Engineering Limited to join our growing retrofit and renewables team. Located at Ida Business & Technology Park, Quarters town Lower, Mallow, Cork P51 HY51. This hands-on role involves plastering and rendering works as part of external wall insulation systems, including base coats, mesh reinforcement and top coat finishes, all delivered to PAS 2030 standards. You will work on a range of residential projects, often in occupied homes, collaborating with site managers and installers to achieve high-quality, compliant finishes. This is an excellent opportunity to grow your career with a progressive company that values craftsmanship, safety, and quality while playing a key role in Ireland's rapidly expanding retrofit sector. This is a full-time position based on a 39-hour work week, offering an annual salary of €36,000 - €38,000. Interested applicants are invited to submit their CV to [info@aureolglobalconnections.com](mailto:info@aureolglobalconnections.com).

- **Sector:** manufacturing
