Job Description

Aureol Global Connections is looking for Commissioning Engineers on behalf of King And Moffatt Ireland Limited t/a King & Moffatt Building Services, Attirory, Carrick-On-Shannon, Leitrim N41 XE89. Ideal candidate is responsible for ensuring the safe and efficient testing and commissioning of completed installations to achieve required plant performance in line with project schedules. The role includes identifying issues with existing systems, coordinating testing and commissioning activities, producing and managing test documentation, undertaking testing in accordance with site requirements, monitoring progress, recording results, witnessing final equipment acceptance, and compiling all documentation for the site test dossier. The Commissioning Engineer ensures all work is carried out safely, professionally, and to the highest standards. This is a full-time role of 39 hours per week with an annual salary range of €36,000-€44,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
