## Senior Hard Facilities Manager - Dublin 7

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Senior Hard Facilities Manager

Location:

Dublin 7

Employment Type:

Full-time | Permanent | Site-Based (with flexibility)

Company:

Sodexo | Grangegorman PPP Contract

Compensation:

Up to €70,000 DOE + Annual Bonus + €6,000 Annual Benefit + 26 Days Leave + Sodexo Perks

Sodexo is seeking a confident, experienced Senior Hard Facilities Manager to lead our technical operations at a key site in Dublin. This is a high-profile leadership role with full accountability for the delivery of hard FM services, energy management strategy, and compliance at one of our flagship PPP contracts.

### Your Role

As the senior technical lead, you will:

Oversee all planned and reactive maintenance, statutory compliance, and asset performance.

Lead a multidisciplinary technical team, ensuring a high standard of service delivery and a culture of accountability and excellence.

Act as the primary point of contact for client technical matters and energy management initiatives.

Manage energy strategy, reporting, and improvement projects to support sustainability targets.

Ensure full compliance with all Health & Safety, environmental, and legislative standards.

Deliver all contractual KPIs and SLAs, including finance tracking and cost control.

Champion innovation, performance monitoring, and continuous service improvement.

#### What You Bring

10+ years' experience in Facilities Maintenance and Technical Services Management

Expert knowledge of HVAC, BMS, mechanical and electrical systems

Strong understanding of energy management principles, sustainability and compliance

Proven success managing diverse teams, contractors, and technical staff

Skilled in project delivery, audits, reporting systems (CMMS/CAFM/BIM) and contractor control

IWFM or FM qualification (Hard FM biased.)

Knowledge of Statutory Compliance, Health & Safety legislation, SOPs

Previous experience in mission critical environments (e.g. education, healthcare, pharma)

Preferred

Relevant qualifications in Engineering or Building Services

#### Why Join Sodexo?

Work on a high-profile, long-term contract with real influence over technical strategy.

Enjoy flexible working options and a collaborative culture.

Access our comprehensive benefits, including professional development, bonus scheme, and €6000 annual flexible benefit.

Be part of a global leader in FM services, where your contribution directly improves everyday experiences.
