Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About the Company

North Cork Electrical is an established electrical services company specialising in electrical installations, maintenance, and repairs for residential and commercial clients. The company values safety, quality, and professionalism. Due to continued growth, we are currently seeking an experienced Electrician to join our team.

Main Responsibilities

Carry out electrical installation, maintenance, and repair work.

Diagnose and resolve electrical faults.

Install and test electrical systems in compliance with regulations.

Ensure high-quality workmanship and adherence to health & safety standards.

Candidate Profile

Minimum 2 years' experience as an Electrician.

Experience in residential and/or commercial electrical installations.

Strong technical knowledge and problem-solving skills.

High attention to detail and commitment to safety.

Ability to work independently and as part of a team.

Benefits

Salary of €36,600 per year (€18.05 per hour).

Full-time, permanent position (39 hours per week).

Stable employment within a growing and reputable company.

Supportive and professional working environment.
