Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is seeking experienced and qualified Electricians on behalf of Ashgrove Engineering Limited to join their growing team. Located at Ida Business & Technology Park, Quarters town Lower, Mallow, Cork P51 HY51. This hands-on role involves installing high-quality, compliant electrical systems—including Solar PV, battery storage and EV chargers—across residential, commercial and agricultural projects, delivering energy upgrades that make a real impact. With Ireland's renewable sector expanding fast, this is a great opportunity to build your career with a forward-thinking company that values quality workmanship, collaboration, and ongoing professional development while working on some of the most exciting projects in the industry. This is a full-time position based on a 39-hour work week, offering an annual salary of €36,000 - €38,000. Interested applicants are invited to submit their CV to info@aureolglobalconnections.com.

- **Sector:** professional, scientific and technical activities
